To Whom It May Concern:

Regarding your recent inquiry for an SDS sheet for:

BT-4010  
BT-4011  
BT-4012  
BT-4014  
BT-4016  
BT-4028

The products listed are considered articles as defined in 29 CFR 1910.1200 Section C.

“Article’ means a manufactured item other than a fluid or particle: (i) which is formed to a specific shape or design during manufacture; (ii) which has end use function(s) dependent in whole or in part upon its shape or design during end use; and (iii) which under normal conditions of use does not release more than very small quantities, e.g., minute or trace amounts of a hazardous chemical, and does not pose a physical hazard or health risk to employees.”

Therefore, this product(s) is/are not regulated, and a SDS is not required for this product by the referred standard because, when used as recommended or under ordinary conditions, it should not present a health and safety hazard. However, use or processing of this product not in accordance with the product’s recommendations, or not under ordinary conditions may affect the performance of the product and may present potential health and safety hazards.
